NOTE: Morrill County parcel IDs, primarily 9 digit numbers beginning with a 1 or 2 followed by two or three zeros are used to label parcels in this map using only the rightmost 5-6 digits.

For parcel IDs beginning with the numeral 1, the leftmost 3-4 digits have been removed, i.e. ID# 100027231 is labeled as "2231."

For IDs beginning with the numeral 2, the subsequent zeros have been truncated into an underscore, i.e. ID# 200077875 is labeled as "2\_77875."

Parcels without County parcel IDs are either given a reference label or simply labeled as unknown, i.e. "MUSEUM", "SCHOOL", "UNK."
